

Parent / Child Contest Rules

For the 2023 Chip Miller Surf Fest we have refined our fan favorite division – PARENT/CHILD, we're excited to share it with you as a registrant.

- The Family entry will be made up of 2-4 members (with no more than 2 Parents or 2 children on each team and with a minimum of 1 Parent and 1 Child per team).
- It will be a heat in a tag-team format, to reduce the confusion of all the surfers in the water at one time.
- The Child will surf 1st, they will paddle out and catch one wave, then come in and “tag” a Parent.
- Then the Parent will paddle out and catch one wave, come in and “tag” the Child. This could be the same Child, which they can then surf a 2nd wave, or it could be a 2nd Child, which surf their 1st wave. Then come in and “tag” the Parent. This could be the same Parent, which they can then surf a 2nd wave, or it could be a 2nd Parent, which surf their 1st wave.
- The heat score for the Family will come from 1 Parent wave and 1 Child wave.
- All Parent/Child heats will be Finals, meaning the heat scores will be arranged by highest totals to lowest totals for 1st, 2nd and 3rd place in the Division.
